WORK & OFFICE

CAFÉ-TO-GO

100879

Leak-proof

Stainless steel

Enjoy your coffee or tea on the move with the 350 ml Café-To-Go travel mug, designed for convenience and versatility.

Its leakproof two-part lid lets you choose how you sip. Use the top lid alone for a more natural, drink-from-the-mug feel, or keep the bottom section in place for controlled sipping with reduced splashes. Designed to fit comfortably in your hand and cup holder, it's the perfect companion for busy mornings and commutes.

AEROLIGHT™

100829

BPA FREE

Hot for 6 hours

Cold for 8 hours

Leak-proof

Stainless steel

The 350 ml Stanley AeroLight™ double-walled transit tumbler with vacuum insulation is designed to be lightweight without compromising the desired liquid temperature.

In addition, the AeroLight™ tumbler is dishwasher safe and BPA free, and is designed for easy cleaning. Fits most car cup holders.

Also available in 470 ml

LEGENDARY

100881

400 ml

Recycled stainless steel

The Stanley Legendary food jar with spork is the ultimate companion for meals on the go, whether you're traveling or camping. Compact yet spacious, it offers ample room for your favourite hot or cold dishes.

The insulated lid features a pressure-release valve, making it easy to open even with temperature changes. Its wide-mouth design allows for effortless filling, pouring, and cleaning.

OUTDOOR & ADVENTURE

ICEFLOW™

100884

Cold for hours

Recycled stainless steel

The 1.06 litres IceFlow™ 2.0 water bottle features advanced AeroLight™ technology, making it 33% lighter than standard stainless-steel bottles.

The folding handle allows for easy carrying, perfect for grabbing on the way to a yoga class. The spout can be removed for a deeper clean, ensuring fresh-tasting water every time.

Also available in 700 ml

CLASSIC

100827

BPA FREE

Cold for 24 hours

Hot for 24 hours

Stainless steel

The 1 litre Stanley bottle features a rugged construction and vacuum insulation.

The bottle is slim enough for a one-handed hold, and it has got a twist-and-pour stopper for smoother pouring. The insulated lid also doubles as a cup for drinking. The bottle is dishwasher safe, leakproof, sweatproof, shatter resistant, and easy to clean.

EVERYDAY

100831

Leak-proof

Recycled stainless steel

The 236 ml Stanley Everyday camp mug is the perfect companion for your first break of the day. Whether you're sipping coffee on the patio or enjoying afternoon tea by the fire, it keeps your drink at the ideal temperature for longer.

The Tritan™ drink-thru lid helps prevent spills. Simply press it in to secure and enjoy your drink without worrying about splashes. Designed for comfort and durability, it's ideal for both indoor and outdoor moments of relaxation.

DAILY CARRY

ICEFLOW™
